In an effort to expand exposure for the European division of Compton's native rapper The Game and his Black Wall Street music label, BWS Europe's debut mixtape will be released on their official website later this week.

PR9.NET November 07, 2007 - Cologne, Germany – European The Game and Black Wall Street supporters will be able to download Black Wall Street Europe's first official release "Internationally Known" for free at the official website: <http://www.bwseurope.com/>.

The tape, which will be released on November 11 and is hosted by BWS Europe's official DJ Maaleek, features exclusive stuff of BWS artists such as The Game, Juice, Clyde Carson and BWS Europe's first rapper Big J. The tape which is called "Internationally Known" will be the first official BWS release outside the United States.

Shortly after this release, BWS Europe will start broadcasting their BWS Europe TV and Radio, schedule BWSE club tours around Europe, start their own clothing line and much more.

Like any true movement, BWS has spread past it's original borders and set up organizations around the world; one of those is Black Wall Street Europe which is the most active department outside the US.

Represented by the austrian Rapper Big J aka austriazmostblunted and Germany's famous club DJ - DJ Maaleek, BWS Europe has quickly gained an active fanbase from all over Europe.
