"We are now aiming to cover small to medium real estate agents' businesses and we foresee a dramatic increase of the 3D house flythrough animations demand in 2008. By appointing John Kane as a Director of Quick 3D House Walkthrough branch, we are sure that our budgetary 3d house animations business direction is in the right hands" Serge Andreff, House Walk CEO said.

PR9.NET November 12, 2007 - London, UK – House Walk appoints John Kane as a Director of Quick 3D House Walkthrough branch.

"We are now aiming to cover small to medium real estate agents' businesses and we foresee a dramatic increase of the 3D house flythrough animations demand in 2008. By appointing John Kane as a Director of Quick 3D House Walkthrough branch, we are sure that our budgetary 3d house animations business direction is in the right hands" Serge Andreff, House Walk CEO said.

"Our aim is to supply affordable 3D property flythrough animations to small and medium real estate businesses so that even small companies could benefit from such modern feature. I'm excited to lead this business line of House Walk and eager to exceed company management's expectations" said John Kane.
