*Discount-Breaks is a new online hotel reservation site featuring over 10,000 hotels in around 200 countries and over 3000 cities worldwide which has been launched to join online hotels reservation family.*

PR9.NET November 14, 2007 - London, UK - A new online hotel reservation website featuring over 10,000 hotels in around 200 countries and over 3000 cities worldwide has been launched to join the online hotel reservation community. Discount-Breaks aim to provide travelers with cheap and discounted hotels all over the world at one place. Discount-Breaks provides huge list of hotels ranging from luxury hotels to budget hotels containing extensive and constantly updated information on hotels and in which continent, country and city these hotels are located in. Discount-Breaks also boast great deals and discounts on some of the best hotels in the world, as well as informative guides to all the countries and cities where our hotels are situated.

Room rates and new developments are updated in our database in a timely manner and are available to the visitors coming to our website. Discount-Breaks takes customer requests both on-line and off-line and carries them all through to successful booking completion.

Discount-Breaks is an online hotel reservation service designed primarily for business and leisure travellers and for small to medium-sized travel agents and online travel promoters. Discount-Breaks provides XML interface to its affiliates to integrate booking facility on their own websites which gives tremendous experience to their customers.

Discount-Breaks.com is powered by Maxrevpar. Maxrevpar is a novice service provider in the travel industry qualified to provide professional and cost-effective solutions to the travel consultants of all sizes. The travel affiliate program of Maxrevpar targets major tour operators, destination management companies and other business which are travel-based. It ensures to provide full-fledged technological solutions thus resulting to a profitable and high-valued productivity which certainly strengthens the position in the travel market.
