*As the real estate market continues to decline, savvy real estate investors are presented with an abundance of opportunities. Charles W. Moore, real estate investor, speaker and author has launched his new website, REleBooks.com, to make quality real estate investment information accessible and affordable for every investor.*

PR9.NET November 15, 2007 - Columbia, SC - Charles W. Moore, real estate investor, speaker and author of "Million Dollar Rent To Own Real Estate Secrets Exposed" announces the launch of his new website, REleBooks.com

As the real estate market continues to decline, there becomes an abundance of opportunities for real estate investors who see the glass as "half full."

Mr. Moore knows that now, more than ever, it is important for real estate investors to educate themselves if they are to take advantage of the coming trends. It is for this reason, that he developed his new website.

REleBooks.com is the culmination of months of preparation and development and makes real-world real estate investment information affordable for the masses.

The new website offers a variety of quality real estate investing products on subjects ranging from Rent To Own Real Estate, Foreclosures, Flipping Houses and Short Sales to name just a few.

The site will continue to grow over time and new products will be added to further enable an investor to expand their knowledge and seize investment opportunities as they present themselves.
