Hot Bodies Tanning owners have long seen increasing demands in Las Vegas for a full serve tanning salons that can serve the needs of both Las Vegas residents and people visiting Las Vegas. The intense desert sun that covers Las Vegas for most of the year presents special challenges for safe tanning and establishing a base that prevents sunburns.

Their new tanning salon offers a full range of tanning services, including the popular ultraviolet (UV) tanning and the sunless (UV Free) alternative. Their state-of-the-art tanning equipment includes Mystic Tan and Smart Tan. In addition, Aqua Massage with High Pressure Velocity is also available.

Hot Bodies Tanning has assembled a highly knowledgeable staff that is trained to guide both experienced and new tanners so that they can safely and effectively enjoy the benefits of moderate tanning without burning. They have made a commitment to continuously training and certifying tanning salon personnel to provide the personal attention and knowledge so rarely seen today.

A member of the Smart Tan International Network, Hot Bodies Tanning believes that moderate tanning, for people who can develop a tan, is the best way to maximize the benefits and minimize the risks of sun exposure.
