*Fast Transact, a leader of payment gateway integration and credit card processing services, is proud to announce its strategic partnership with Aivea Corporation, a leading Portland, Oregon based Software Consulting and Professional Services company. The alliance integrates FAST TRANSACT's VeloCT payment gateway technology with Aivea's eShop, a premier Ecommerce Software Solution, to offer start-to-finish business solutions for merchants within the eCommerce industry.*

PR9.NET December 02, 2007 - OLYMPIA, WA / Portland OR - "FAST TRANSACT has provided a wide range of merchant services to business owners for many years throughout the United States and Canada." said David Solomon, CEO of Fast Transact, Inc. "VeloCT's gateway provides the most powerful payment system on the market and exceeds the security requirements set forth by Visa and MasterCard. We understand payment integration and deployment issues and by combining our expertise and technology, FAST TRANSACT and Aivea have joined together to offer merchants the ability to accept all major forms of payment and manage their entire business in one place."

"This module will allow Aivea customers to accept credit card, debit card and echeck transactions through the fully integrated Fast Transact VeloCT Gateway. They will now realize true CRM updates with regard to payment acceptance making reconciliation a snap. The VeloCT gateway is already integrated with the largest domain registry in the world and continued integration with companies the caliber of Aivea are our focus", said Terry Roberts, VP of Strategic Alliances for Fast Transact, Inc. Tisson Mathew CTO of Aivea Corporation says, "By teaming with FAST TRANSACT, Aivea now offers its customers a fully integrated payment solution that is scalable and caters to small, midsized and large businesses, and eCommerce storefronts. With a customer base of over 1600 merchants, Aivea's eShop is a natural fit with FAST TRANSACT's payment authorization system."

Aivea® eShop™ E-Commerce Solution provides the most comprehensive, flexible and extensible Enterprise E-Commerce and E-Business capabilities powered by industry leading Microsoft.NET framework. Any merchant can establish an online store, complete with secure credit card transactions, back-end order tracking, and configurability for a fraction of the cost and time of traditional customized solutions! As a leader of the Fourth Generation of E-Commerce products, Aivea® eShop™ is blazing the trail to E-Commerce in the 21st Century with state of the art e-business software loaded with over 3000 features including Out-of-the-box capabilities like secure online store administration and Rich Text (HTML) content management thereby helping merchants significantly reduce operating costs and shopping cart abandonment, increases conversion rates, and cuts down on content deployment times along with rich online buying experience for your buyers.

FAST TRANSACT's core business is payment processing and its products are an integral part of a total solution for merchant services and a safer, secure processing environment. As a leader in the industry, Fast Transact, Inc. received 1st Place as the 2006 Fastest Growing Company in Washington's Puget Sound Area and is once again a top-10 finalist for the 2007 Fastest Growing award. More recently, Inc.5,000 ranked Fast Transact as #1058 on its list of fastest-growing private companies in the country and as #53 in the top companies for Financial Services.
