Hotel Atlet Century Park in Jakarta, Indonesia beefs up its customer service offerings with the addition of an innovative reservation system to its website, making online bookings faster and easier.

PR9.NET December 05, 2007 - Jakarta, Indonesia – Hotel Atlet Century Park Jakarta gives new meaning to customer service excellence now that it is empowered to deliver online reservations with greater ease.

The hotel recently launched a user-friendly reservation system on its website (www.centuryparkjakarta.com), which offers instantly confirmed and payment-guaranteed bookings at competitive rates.

With this new service feature, making online reservations direct with the hotel is easier and more convenient. It offers the flexibility of selecting the hotel's offered room types with 14 days of real-time room availability and their low rates. A 10% deposit secures a reservation guarantee, assuring guests that the chosen room type will be available upon their arrival. Immediately after transaction, they will receive an e-mail confirming their reservations.

Guests can also modify their booking arrangements. If modifications are done within the specified grace period, no additional fees will be charged.

Hotel Atlet Century Park, located in Jakarta's central business district, shows the city's classy, opulent side. Its 475 guestrooms were designed for privacy and relaxation, with modern amenities and exquisite furniture. The hotel also has a wide array of rich facilities that caters to various needs, whether it's getting the most of leisure or organizing a corporate event. Some of the facilities guests can choose from include the Senayan Café, Jasmine Lounge and Bar, semi-Olympic size pool, Kridangga Ballroom, boardrooms, and fitness center. For more information, visit www.centuryparkjakarta.com.

The hotel's ability to deliver online reservations with low rates and instant confirmation was made possible through DirectWithHotels (DWH). The company maximizes the performance of websites of accommodation providers worldwide. Log on www.directwithhotels.com to know more about DWH's unique technology.
