Affinity Spanish announces standard lineup of bilingual English-Spanish business services for 2008 including Spanish translation, bilingual search engine marketing, bilingual recruiting and custom bilingual business solutions.

PR9.NET December 17, 2007 - Denver, Colorado - Bilingual English-Spanish business services company Affinity Spanish today announced its standard service offerings for 2008 including:

- 1) Spanish translation
- 2) Spanish interpretation
- 3) Bilingual search engine marketing
- 4) Bilingual employee recruiting, and
- 5) Custom bilingual business solutions

The need for professional bilingual English-Spanish business services continues to grow in connection not only with the US Hispanic market but in support of corporate interests in doing business in Spanish speaking Latin America. Standard service offerings for 2008 are in response to customer demand demonstrated in the current year.

Interested parties are invited to contact Affinity Spanish to learn more about standard and custom bilingual business services. The company works with organizations nationwide.
