About Rusbizcom

Rusbiz.com is an online Business to Business Portal with facilities like Marketplace, Aggregated Electronic Catalog and Sales and Procurement Management, where buyers and sellers come together to communicate, collaborate and conduct business.

Rusbiz.com, since its launch in September of 2002, within a very short period became a primer destination for thousands of small and mid size companies from all corners of the world. A division of ZAO Sozvezdie Nakosy, Rusbiz.com is built by experienced business professionals, who understand what companies need to do effective online business.

Rusbiz is committed to provide top quality services to its members and constantly introduces new services, required to conduct efficient e-business. Our business strategy focuses on our members' needs; and creation of long-term relationships with each and every member based on reliance, trust, mutual respect and high levels of customer service.
