Pat Fraley, one of the foremost audiobook producers in the United States, presents fantastic news and heralds a bright future in audiobook narration for voice actors of all voice types and ages.

PR9.NET January 01, 2008 - Toronto, Canada – Pat Fraley, teacher, voice actor and author, was featured over the Christmas holidays as the expert on the hit podcast Voice Over Experts (<http://podcasts.voices.com>), the most downloaded and subscribed to voice over podcast for beginner and professional voice actors. Fraley, in addition to teaching, also produces audiobooks and has a strong connection with prominent audiobook publishing company Blackstone Audio and its president, Craig Black.

In Pat Fraley's lecture entitled, "Audio Book Good News", listeners are privileged to hear insider knowledge about the audio book industry and are instructed on how to take advantage of the booming market for audio book narration. Don't miss this episode with tips and insight from an expert audio book producer!

As a contributor to the Voice Over Experts Podcast, Pat Fraley lectures on a regular basis, helping aspiring talent to understand, develop and succeed in the business of voice acting and voiceover. Since the lectures are available in the form of podcasts, the lessons are hosted online and can be subscribed to through the Apple iTunes Directory, to be enjoyed at any time.

The Voice Over Experts Podcast can be found and subscribed to for free in the iTunes Podcast Directory and online at the Voices.com Podcast Center.
