Esplanade Apartments in Palm Cove, North Queensland, Australia beefs up its customer service offerings on its website with a new reservation system that guarantees the best rates.

PR9.NET January 24, 2008 - Palm Cove, Australia – Esplanade Apartments in Palm Cove, the ultimate beach destination in Queensland, Australia, greatly improves its customer service with an online reservation system. This new feature, which can be accessed at www.rockfordesplanade.com, delivers competitive rates, instant confirmation, and other great benefits.

Before booking, holidaymakers and travelling executives can first view a 14-day display of room availability with their corresponding low rates. This service allows guests to book according to their budget and taste at their own pace. A 10% deposit, which will later be deducted from the total room charge, secures them a reservation guarantee. The payment ensures them that the chosen room type is ready and available upon arrival. All transactions are instantly confirmed via an automated e-mail.

For further convenience, a professional customer relations unit is at the ready to manage all reservation-related inquiries, including modifications of booking arrangements.

Its spacious one- and two-bedroom units are sophisticated and modern and are fitted with a living area, kitchenette, and en suite bathroom. These rooms are all furnished with superb amenities.
