The Latest in Sports Nutrition: Fuser Diesel Energy Stix.

PR9.NET January 28, 2008 - RICHMOND, VA - Virginia Bionutrients LLC announced today that it is launching a pre-workout supplement that will revolutionize the sports supplement industry: Fuser Diesel Energy Stix. Every serious athlete and bodybuilder will be dying to get their hands on it. Fuser Diesel Energy Stix will change the way people think of energy and supplements because of its unique and convenient delivery method.

"Diesel Energy Stix is the next generation of pre-workout and energy products— with better convenience, performance, and taste. Our entire team is excited about the potential for Diesel to revolutionize sports supplements," says Virginia Bionutrients LLC President, Dr. Susan B. Hardwicke.

Virginia Bionutrients LLC produces the Fuser Sports Nutrition Line, including Fuser Energy Micro-Bar. Fuser Sports Nutrition makes state-of-the-art, superior nutritional products that FUSE mental focus and physical performance. They enhance both the experience of working out as well as the result. Diesel is the newest addition to the Fuser Sports Nutrition product line. The unique supplemental blend makes it a high performance product, unlike any currently on the market. It is the sports-industry-innovator's dream.

Ask your local supplement stores about Diesel to find out when they will be carrying it. For more information or to purchase Diesel directly, please go to www.dieselstix.com.
