PR9.NET January 29, 2008 - BRISTOL, Pa. - Aries Electronics, an international manufacturer of standard, programmed and custom interconnection products, has relocated its corporate headquarters to a new 50,000-square-foot facility in Bristol, PA.

Bill Sinclair, president and CEO of Aries Electronics, said, "Our expanded facility provides us with greater production and engineering capabilities. It will also enable us to increase product offerings to our customers. We expanded in response to the continual growth in demand for our products, both here and abroad. Most importantly, this new facility enables Aries to remain a U.S. manufacturing company, ensuring optimum quality control and cost-effective products."

The new headquarters is more than double the size of Aries' previous location. This new facility allows the company to continue expanding its broad range of custom and standard interconnection and packaging products for electronics.

Effective January 1, 2008, Aries' new address is 2609 Bartram Road; Bristol, PA 19007-6810. Telephone and fax have changed to 215-781-9956 (phone), 215-781-9845 (fax).
