ZizZazZ Cherry Lime Energy Powder is the first flavor in the ZizZazZ product line to be reviewed and evaluated by a leading professional Energy Drink Review Blog. Cherry Lime is the first of 4 flavors, Pom Mango, Lemon Razz and Tangerine Tango to be reviewed.

PR9.NET February 01, 2008 - Las Vegas, NV - ZizZazZ Cherry Lime Energy Powder is receiving rave reviews for its superior taste, quality and versatility. EnergyGuru from <http://taurinerules.blogspot.com> says, "...makes ZizZazZ the runaway leader on taste of any powdered energy product or ready to mix energy drink I have tried". The ZizZazZ team was pleased to read such a wonderful review from EnergyGuru. Some of the other high points that he stated were, "I tasted the powder and it tasted pretty good like pixie stick candy which in my mind is a huge positive. I love powdered candy like Pixie Sticks or even the powder for Fun Dip....ZizZazZ Cherry Lime in liquid form is pleasantly sweet but not overly so. Thankfully there is no real sugar free aftertaste here leaving the sweetness pure....Another positive is that I didn't need carbonated water to get ZizZazZ Cherry Lime down, it goes down pretty smoothly with normal drinking water. Oh and if you like the cherry lime combination this blows away Powerade Advance's version of cherry lime".

About zizzazz

ZizZazZ Explosive Energy Powder is consumable straight from the stick or are easily mixed with your favorite cold beverage to make a great tasting energy drink. Energy drinks made from powder are not carbonated, which makes them easier to drink and better for the body. ZizZazZ is loaded with essential B Vitamins, Green Tea, Rhodiola and Ginseng. These ingredients provide healthy, consistent energy, awareness, concentration and hydration. As ZizZazZ includes only 1g of sugar in its ingredients, there is no crash associated with sugar products once the sugar is absorbed and metabolized. ZizZazZ comes in 4 great tasting flavors: Pomegranate Mango, Cherry Lime, Tangerine Tango, and Lemon Razz. Visit www.zizzazz.com for more information.
