A new innovative online store www.smallbusinessbookshop.eu has been launched for small business people and entrepreneurs.

PR9.NET February 02, 2008 - Cambridge/United Kingdom - The Small Business Bookshop is proud to announce the launch of its new online store - www.smallbusinessbookshop.eu - selling books targeted at small business owners and entrepreneurs.

A wide selection of books will be added to the site over the coming months covering a range of highly important small business and entrepreneurial topics. These topics include: writing a business plan, small business finance, starting a business, entrepreneurship and marketing your small business.

The sole aims of the Small Business Bookshop are to make available a leading range of small business entrepreneurial books in one place, whilst offering the highest level of customer service.
