Modern Builders Supply brings local and industry news, business development tips and opportunities and product information right to your fingertips.

PR9.NET February 13, 2008 - Toledo, OH. – Modern Builders Supply, Inc., a top distributor of building materials in the Midwest, announced today the launch of a completely redesigned website. "We set out with one goal in mind, to provide our customers with a variety of useful information that will help them strengthen and grow their business." The site includes industry news, industry specific business articles, organization tools, product information, local news, events and weather for each of its branches and numerous opportunities for customers to provide the company with feedback. While, the site already hosts a wealth of information the best is yet to come. "What really excites us is that as the site grows and we continue to learn from our customers' feedback the site will be able to adapt with their needs. We recognize that we are in a new era of business and we will continue to strive towards innovation and remain ahead of the curve." Modern Builders Supply Inc. has been serving builders and remodelers since 1944, with 26 branches across 6 states (Ohio, Michigan, Indiana, Kentucky, West Virginia and Pennsylvania). To see a full list of branches and much more check out the new website at www.modernbuilderssupply.com
