Pat Fraley shares advice about how to sound like a celebrity actor by selectively choosing to mimic actors whose voices are close to a voice actor's genetic vocal print focusing on six elements of voice matching.

PR9.NET February 14, 2008 - Toronto, Canada – Pat Fraley, voice teacher, voice actor and author, is this week's expert on the podcast Voice Over Experts, the most popular and subscribed to voice over podcast for beginner and professional voice actors. Pat will be teaching a two-day event on Voice Matching / Replacement, and Group ADR Technique in Los Angeles in a month, so this podcast is timely as well as informative.

In Pat Fraley's lecture entitled, "Voice Matching and Imitating Voices", Pat shares his knowledge on how to match voices with famous celebrities. Examples referenced are actors Tim Allen and Jon Voight. A demonstration of a successful voice match with Jon Voight is presented in the lecture, giving students a step-by-step formula for matching the celebrity voice.

Pat Fraley has done voice matching and ADR for Tim Allen as Buzz Lightyear in "Toy Story II" and a wealth of other films including "Wild Hogs". Fraley has made \$500,000.00 over the past 12 years mimicking Tim Allen's Buzz Lightyear character for movies, toys, rides and the like.

As a contributor to the Voice Over Experts Podcast, Pat Fraley lectures on a regular basis, helping aspiring talent to understand, develop and succeed in the business of voice acting and voice overs. The lectures are available in the form of podcasts and are available for free subscription through the Apple iTunes Podcast Directory, to be enjoyed at any time.

The Voice Over Experts Podcast can be found and subscribed to for free in the iTunes Podcast Directory and online at the Voices.com Podcast Center.
