PR9.NET February 15, 2008 - Grimsby, UK &#65293; Abey Furnishing, based in Grimsby in North East Lincolnshire leather and glass furniture retailer, have recently announced product range expansion with new collections of lamps, accessories, and Abey Carpets Direct ranges.

David Carroll, Managing Director of the Abey Furnishing Company Limited tells, "Abey Furnishing are pushing forward the quality of Internet shopping, with combination of family values, good old fashioned service and modern day value for money. Our main business is in leather suites such as La-Z-boy who produce a quality collection of leather settees, leather recliners and fabric suites to suit all pockets. There is also a great range of G Plan dining and occasional furniture to compliment modern home.

With our new showroom has risen from the floods of last year we are showing many of today's top designs in suites, lounge and dining room furniture, beds and headboards; we also carry an impressive range of occasional furniture, pictures and mirrors, also offering an excellent selection of lamps, accessories, and Abey Carpets Direct ranges. Our carpet fitting is carried out by our long serving factory trained fitters and our sales staff have many years of experience in understanding and satisfying our customers needs and requirements.

With free delivery around the UK and interest free credit our online showroom at <http://www.abey-furniture.co.uk> becomes a very popular online service across the UK," concludes David Carroll.
