The Northam All Suites in Penang, Malaysia reinforces its customer service with a reservation system that offers instant confirmation and best rates on its website, www.northam-hotel.com.my.

PR9.NET February 21, 2008 - Penang, Malaysia – The Northam All Suites' official website www.northam-hotel.com.my is now guaranteed to make online transactions easier and hassle-free with its new reservation system.

Now booking directly with the hotel through this user-friendly system provides guests the control of selecting the room type according to their preference and budget. They can view 14 days of real-time room availability at the lowest rates, making reservations effortless and quick. An affordable 10% deposit payment, which is deducted from the total room cost, also assures guests that their chosen accommodation type is available upon their arrival.

After the transaction, an e-mail is immediately sent, and this serves as their confirmation.

At The Northam All Suites Hotel in Penang, Malaysia you'll experience the synergy of a business hotel in a resort setting. The convenience of urban living in refined luxury makes this chic destination a calming retreat fit for the discerning business and leisure traveller.

A refreshing getaway from the hustle and bustle of city living, guests can experience a relaxing place to rejuvenate after a day of sightseeing. When staying for business, enjoy expert support, functional meeting venues, and complete facilities.

Situated minutes away from the central business, shopping, and entertainment areas and poised at the edge of a spectacular seafront, it is the perfect place to do everything – or nothing at all. For more information about The Northam All Suites, visit www.northam-hotel.com.my
