Discount City Hotels has included new Paris hotels promoted and marketed by Groupe Hotelier Bataille benefiting online travelers. The high-performance software maintained by Groupe Hotelier Bataille assists you in finding the best hotel in Paris.

PR9.NET February 25, 2008 - London, UK - Discount City Hotels has added new hotels of Groupe Hotelier Bataille which are located in some popular locations of Paris, France. Groupe Hotelier Bataille initiated in 2001 extends its services in promoting and marketing of independent hotels online. Having an experience of 20 years in the arena of tourism and hotel marketing, Group Hotelier Bataille supervises all functions related to hotel research and marketing through its high-performance software. With the inclusion of the hotels Discount City Hotels offers more options for online travelers to browse and select from a list of Paris hotels. Discount City Hotels persistently keeps on updating its database on hotels for the convenience of the internet users.

The independent hotels in Paris promoted by the Groupe Hotelier Bataille are located in some of the promising locations thus enabling you to enjoy shopping while walking through the most fashionable streets of Paris, visiting some of the most magnificent buildings and museums which are complete definition of human architecture or strolling through the lanes of the most colorful gardens which are neatly tailored.

On this success Mr. Mohsen Mdaoukhi (CEO) said, "We are proud to entertain the customers with a list of independent hotels promoted by Groupe Hotelier Bataille which have added new dimensions to our services catering to online travel industry. We believe to progress to new heights through this profitable association."
