Voiceover coach Kim Snyder confides that taking care of and treating the vocal instrument with respect has additional benefits including being a great differentiator from other voice acting competitors.

PR9.NET March 12, 2008 - Toronto, Canada – Kim Snyder, voice actress, teacher and vocal coach was last week's expert on Voice Over Experts, the most educational and subscribed to voice over podcast for amateur and professional voice actors. Kim owns and operates The Voice Club, helping aspiring and professional voice actors achieve their potential through her brand of voiceover coaching.

In Kim Snyder's lecture entitled, "Getting the Most Out of Your Voice", Kim shares tips with her listeners on how to keep their voices in top form and goes into detail regarding functionality and care of the vocal chords (folds). Throughout the podcast, critical tidbits are gleaned with regard to proper maintenance of the vocal instrument and how maintaining optimum vocal health can be used as a tool to differentiate a voice actor from their competition in the eyes of a client.

As a contributor to the Voice Over Experts Podcast, Kim Snyder lectures on a regular basis, helping voice actors to discover, experiment and thrive in the business of voice acting and voice overs. The lectures are available in the form of podcasts and are available for free subscription through the Apple iTunes Podcast Directory, to be enjoyed at any time.

The Voice Over Experts Podcast can be found and subscribed to for free in the iTunes Podcast Directory and online at the Voices.com Podcast Center.
