*EstatesDubai.com is the premier web site for real estate news and market trends in Dubai. The web site provides in-depth and breaking news for major and secondary real estate markets throughout the country.*

PR9.NET March 11, 2008 - Dubai, United Arab Emirates - Mahendra Dey is proud to announce that the site, EstatesDubai.com, which he has been developing for the past few months, has officially launched worldwide. This innovative new site is characterized as, "your primary resource for discovering about real estate in Dubai."

EstatesDubai.com provides daily articles covering topics of interest to buyers, sellers, and real estate professionals. The site allows developers to publish news about new developments and website visitors can comment their opinions and experiences. EstatesDubai.com will put buyers in touch with real estate agents who specialize in specific developments.

The lead developer of EstatesDubai.com, Mahendra Dey, explained, "The outstanding architectural wonders, endless shopping and sports facilities, along with rapid economic growth make Dubai a top overseas tourism and property investment destination. A fast-growing cosmopolitan population is taking over the city, benefiting from the winning combination of top-end luxury and innovation, all within an endearingly tax-free investment arena."

EstatesDubai.com also has a comprehensive analysis of the market, with over 500 reports from realtors across the UAE. The web site hosts a number of different articles on topics such as the reasons for why luxury villas are in such high demand or predictions on the expanding of the realty market in Dubai. This blog type content will help users learn about property in Dubai and other cities in the United Arab Emirates.
