*Jax Wax made it's first appearance at Spring Fling, and over show car owners and spectators alike in the annual Spring Fling at Panama City Beach, Florida.*

PR9.NET March 13, 2008 - PANAMA CITY BEACH, FL – March 9th and 10th was the annual Spring Fling Gathering, the largest car and truck show in Northwest Florida – including thousands of classic show cars, hot rods and spectators - and Jax Wax was there!

In the product lines first appearance at Spring Fling, Jax Wax products won over owners and spectators alike with many becoming exclusive and proud users after experiencing the product line first-hand.

Throughout the event, people were treated to detailing demonstrations in the direct sunlight on a black Mustang convertible owned by Dan and Nancy Ostman, distributors of Jax Wax in nearby Port St. Joe, that drew the attention of virtually everyone passing by. Jax Wax helped these classic car and hot rod aficionados with their specific car care challenges and were consulted one on one with their vehicles.

What makes Jax Wax products unique is the combination of speed, ease of use, and quality. The innovative and affordable Jax Wax product line makes the task of detailing quick and virtually effortless. From the wipe-on/wipe-off carnauba wax that can be used in the direct sunlight with no dust, hazing or smearing - to the upholstery cleaner that requires just a little brushing, having a showroom-fresh vehicle has never been this easy. The entire Jax Wax product line is just as easy to use and can even make a novice look like a pro.

Previously available exclusively to vehicle dealers and professional detailers, the entire Jax Wax line is now available for consumer purchase at select distributors, retailers, and [www.jaxwax.com](http://www.jaxwax.com) or by calling toll-free 1-877-7JAXWAX.
