Girlfriend Grams offer unique gifts for everything from Birthdays to Breakups.

PR9.NET March 20, 2008 - San Diego, Calif. – Lani Harr and Deanna Strickland, Co-Founders and Chief Executive Girlfriends of Girlfriend Grams.com just announced the launch of their new online gift boutique (www.girlfriendgrams.com). As the owners of the wildly successful in-home party company Girls Night in, Lani and Deanna have traveled the country attending Girls Night In parties and have discovered first-hand exactly what gifts women love receiving. Now Lani and Deanna are bringing their expertise to the internet, offering their adorable, often irreverent pre-packaged gifts for virtually any occasion.

Girlfriend Grams are packaged in fabulous keepsake Girlfriend Gram boxes and include the Girlfriend Gram trademark Message in a Bottle. Why settle for a boring gift card when you can include a beautiful corked glass bottle with your message scrolled inside?

Girlfriend Grams not only offers wonderfully unique gifts for all the traditional occasions, they have also cornered the market for more creative and unusual gifts. The Breakup Gram has been a best-seller for Girlfriend Grams, and they expect their newly launched PMS Gram to follow suit.

Following are just a few of the Grams you can find at www.girlfriendgrams.com

Birthday Gram, Bridal Gram, Baby Gram, Breakup Gram, Chocoholic Gram, Get well Gram, Housewarming Gram, PMS Gram, Spa Gram

Girlfriend Grams.com expects to become the most popular gift boutique on the internet and encourages customers to "think inside the box" when shopping for a great gift!
