PR9.NET March 21, 2008 - New York, NY - Betsey Johnson is a world renowned fashion designer and Siren International Inc. is happy to invite you to shop her world famous collection online at their stores.

Retro reigns this year as Betsey Johnson's 2008 Prom Dress styles are quickly becoming the hottest prom dress look of the season. There were over twenty questions about where to find Betsey Johnson Prom Dresses on Yahoo! Answers by the end of March.

"A party in a dress" is the phrase used to describe Betsey Johnson's Spring 2008 collection, as she never fails to ante up enough whimsy, fun, and spunk to turn her collection into a celebration. This time, with inspiration from the world of Bruce Lee, there are more than enough ruffles and frou frou to turn the beat around on your typical prom dress look! It looks as though 2008 is the year the prom-going set gets a shot at making 80's rocker-chic prom looks hot.

Though Betsey Johnson's spring 2008 collection was titled Prom Queen 1958 "Flirtation Walk," it could have just as easily been christened "Girls Just Want to Have Fun." Full of flirty retro, beat-chick-inspired mini dresses and confectionary cocktail numbers trimmed with tulle, bows, and polka dots, the collection appeals to the carefree girl who loves to dance, laugh, and do cartwheels—i.e., someone like the designer herself.

Siren International Customer Care representatives have indicated that requests and inquiries are coming in from around the world for Betsey's cute and glam looking styles which customers are clamoring for as the perfect prom dress for their upcoming prom night event. Siren's Secrets prom dress selection ranges from adorable to daring, and includes many made-to-order styles. Betsey Johnson prom dresses seem to be all the buzz at the moment. "We're very excited to offer our most loyal customers the opportunity to purchase a Betsey Johnson prom dress to help make their prom dreams come true," said Tina Ramone, sales representative for SirensSecrets.com.
