*I Hotel in Batam, Indonesia has just upgraded its customer service with a new reservation system which offers the best rates and instant confirmation online to its website.*

PR9.NET March 26, 2008 - Batam, Indonesia – I Hotel in Batam is delighted to make public that its official hotel website, [www.ihotelbatam.com](http://www.ihotelbatam.com), is now able to deliver instantly confirmed, payment-guaranteed reservations matched with the best rates online.

This easy to use system makes online reservations quick and fuss-free. Guests of I Hotel in Indonesia are also presented with the flexibility of choosing from all room types, according to a specific budget and preference. Aside from this, the reservation system offers a 14-day view of room availability coupled with the lowest rates online, providing guests with a lot of options to choose from. A minimal 10% deposit payment that is later on deducted from the total room cost, assures visitors that there is an available room upon arrival. Guests receive instantly confirmed reservations via email.

I Hotel in Bukit Nagoya is four-star hotel that offers efficient facilities, impeccable service, and the perfect venue for corporate meetings and conventions. Located in the heart of scenic Batam, I Hotel reflects the urbane sophistication of a four-star hotel offering the finest in location, accommodation, and amenities; it is the perfect place to stay for business and leisure travelers.

The hotel goes beyond the usual with their integrated apartment services. Providing guests with the option to stay for longer periods and enjoy, this new approach to accommodations poses the infinite possibilities of staying at the I Hotel in Indonesia. Further information regarding facilities and location of the property can be found in the official hotel website ([www.ihotelbatam.com](http://www.ihotelbatam.com)).

I Hotel Batam ability to deliver this new service was made possible through DirectWithHotels, an online reservations specialist which partners with hoteliers to maximize the performance of the official hotel websites.
