Ramayana Resort and Spa in Kuta, Bali, Indonesia can now deliver instantly confirmed bookings at low rates with its recently launched online reservation system.

PR9.NET April 16, 2008 - Kuta, Bali – At the Ramayana Resort and Spa, convenience starts as early as the reservation process. The four-star Bali beach resort recently launched a reservation system on its website (www.ramayanahotelbali.com), which has been enabled to deliver not just instant confirmation but also the best rates online.

The system displays real-time room availability with their corresponding competitive rates for a period of 14 days. A 10% deposit secures guests a reservation guarantee, ensuring them that their chosen room type is available upon arrival to the Ramayana Resort and Spa. The deposit will be deducted from the total room charge later on. An automated e-mail, meanwhile, is sent immediately after the transaction. This serves as the confirmation.

Guests can also modify their reservations at no additional cost, if they make the changes within the specified grace period. Other booking-related concerns are promptly and expertly handled by a professional customer service unit.

Enjoy more first-rate convenience at the Ramayana Resort and Spa. Located right in the heart of Kuta town, this Bali beach resort boasts luxurious guestrooms, complete with modern amenities and elegant Balinese décor. Its Resort Club Rooms come with special privileges, such as a private check-in at the Lobby Lounge, fruit basket and assorted chocolates upon arrival, and evening cocktails at the Resort Club. The resort also has four restaurants offering delicious local and international dishes. The Rama Spa is another pleasure that guests will surely enjoy.
