*The Aston Pekanbaru City Hotel in Pekanbaru, Indonesia has recently launched an enhanced online reservation system that delivers secure bookings at affordable rates.*

PR9.NET April 17, 2008 - Pekanbaru, Indonesia – The Aston Pekanbaru City Hotel is offering a newly improved service that promises to enrich guests' experience with the hotel further. Through its website, [www.astonpekanbaru.com](http://www.astonpekanbaru.com), guests can now easily book direct with the hotel online. This way, guests can avail the best accommodation rates in the securest way.

The Aston Pekanbaru's improved online reservation system allows guests to book rooms in just a few clicks. The state-of-the-art system shows 14 days of real-time room availability around the guests' selected vacation dates. The lowest rates for each accommodation type are also presented. Once guests have made their booking choices, they secure the reservation by placing an affordable 10% deposit payment, which will be deducted from the total room charge. This minimal fee ensures that their room is ready and available upon arrival to the hotel.

Reservations are confirmed instantly via an automated e-mail. All transactions made through the Aston Pekanbaru City Hotel's new online reservation system are guaranteed safe, secured by the 128-bit encryption technology of WorldPay. WorldPay is a Royal Bank of Scotland company.

At the Aston Pekanbaru City Hotel, the urban professional or the tourist gets treated to a posh hotel experience highlighted by an ultramodern vibe. With sleek contempo interiors as backdrop, guests are offered precise and efficient service that comes in handy as they shuttle around the city. The hotel displays unique flexibility when it comes to addressing the needs of its guests. Various accommodation, conference rooms and restaurants are available to suit parties of any size, while services are acutely purposeful to lend comprehensive assistance. Visit [www.astonpekanbaru.com](http://www.astonpekanbaru.com) for more information.
