Hotel Borobudur in Jakarta, Indonesia unveils its newly enhanced website www.hotelborobudur.com with a reservation system that offers instant confirmation and the best rates online.

PR9.NET April 16, 2008 - Jakarta, Indonesia – Bookings made online through Hotel Borobudur's website is now made easier and fuss-free with the new reservation system that guarantees instant confirmation. Guests of the hotel can reserve their rooms in the comfort and safety of their homes. A minimal deposit payment of 10% that is deducted from the room cost, assures guests that the room is available and ready upon their arrival.

This new feature on Hotel Borobudur's website is their way of making sure that guests are serviced even if they are not yet in the hotel. The system also provides visitors the power to choose the room types that fits their budget and preference. The transaction is fast, straightforward, and guarantees that all information and money will remain secured and protected with the 128 bit encryption technology powered by WorldPay, a Royal Bank of Scotland Company. With a 14-day view of room availability shown in real-time and at the lowest rates, booking and modifying your reservations online is now easy and quick.

Nestled within 23 acres of delightfully landscaped gardens is Hotel Borobudur, a five-star diamond hotel located in the hub of Jakarta. It offers international level of service and luxury perfect for the business and leisure traveler.

Experience unparalleled hotel accommodation like no other with our first-rate business facilities and services. Guestrooms blend contemporary and native furnishings while inviting lavish comfort, efficiency, and sophisticated ease at every turn. Further information about Hotel Borobudur Jakarta's facilities and location, as well as directions and a map to the property can be found in their official hotel website www.hotelborobudur.com.

Hotel Borobudur Indonesia's groundbreaking system was made available through DirectWithHotels, an online reservations specialist that helps hotels maximize their official websites and benefit from improved profitability, occupancy and guest loyalty.
