Innovative open system Network Video Recording (NVR) and networking over Power Line (PLC) infrastructure manufacture expands Presence in Midwestern USA Territory

PR9.NET April 17, 2008 - Nashua, NH – Aboundi Inc., the innovative Electric Connect® and WebEyeAlert® vendor announced the appointment of PMA Marketing Inc. as its manufacturer's representative for the Midwestern USA regions today. Aboundi is a leading company providing commercially advanced and innovative IP based Open System Remote Video Security/Surveillance Monitoring and Management Platform solutions to the Enterprise, Small to Medium sized Businesses (SMB) and Multi Dwelling Units (MDU) encompassing their existing Power Line as the networking infrastructure.

"PMA Marketing Inc. provides a comprehensive approach for the Video, Access Control, Security and Surveillance system design and integration," said Hong Yu, President and CEO of Aboundi Inc. "Our synergistic Electric Connect® networking infrastructure solution together with the WebEyeAlert® open system remote video monitoring and management solution complements PMA Marketing's mission enhancing their customers' profitability."

"PMA Marketing Regional Managers assist in systems design, integration and quotation of CCTV, access control, fire detection and fire signaling systems to our System Integration (SI) and Value Added Resellers (VAR)," commented by J. R. Andrews, General Manager. "Aboundi's Electric Connect® and WebEyeAlert® vertical solution provides efficient and cost effective mean to allow our customers providing a comprehensive security and surveillance value propositions."

###

About PMA Marketing Inc.

The mission of PMA Marketing is to provide our customer base with a comprehensive approach for systems design and integration to the benefit of the professional installation companies in Ohio, Indiana, Michigan, Kentucky and Western Pennsylvania. Our synergistic product group in the key growth areas of video, access control, and fire, provide the professional with an innovative, high-quality security package within each of these critical business segments. Premier constantly seeks to enhance the profitability of both the manufacturers represented and the installers of our products.

About Aboundi, Inc.

Aboundi Inc.'s Electric Connect® solution is designed to enable high speed Ethernet packets to traverse over many different transmission mediums: in-premise electrical wiring, extended distance for twisted pair wires and long distance coaxial cables. This 'versatile wiring' capability allows us the vast opportunities of solving many physical networking infrastructure connectivity deployment related problems cost effectively and spans across many market segments in applications. Aboundi sells products worldwide through its authorized Distributors and Solution Partners. www.aboundi.com
