PR9.NET April 19, 2008 - Denver, CO - Robert Morgen's new book 'The Spiritual Entrepreneur' (ISBN: 978-0-9790400-3-0) is now available as a free Ebook.

The goal of the Spiritual Entrepreneur Project is to provide tools and resources to help spiritual teachers, healers, authors and speakers bridge the gaps between spirituality and money and spirituality and business.

Currently the Spiritual Entrepreneur Project consists of a network of websites and healers, teachers and authors who want to help empower a new generation of people who want to help create the positive social and economic change needed on the planet.

The Spiritual Entrepreneur book is a manual to help people learn to balance spirituality, business and money. It will be available in bookstores in September 2008 but it's available for a limited time as a free Ebook.

Feel free to download your copy and see what you think. If you like it we ask that you give us a review at Amazon.com and Barnes and Noble.com. We also ask that you pass it on to as many of your friends as possible.

Topics include;

- The Global Economy
- Creating Passive Income
- Multiple Streams of Income
- Business Tools and Systems
- Accounting, Bookkeeping and Finance
- Working with Charities
- A Brief Look at Networks
- How to use Passive Sales
- Building Your Networks
- Direct Selling
- Creating the Life You Want
- Business Building Basics
- Team Building
- Shameless Self Promotion
- Make Money by Remote Control

This simple, easy to read and easy to use manual can help you develop multiple streams of passive income, get more customers and clients, market your business more effectively and inexpensively and use your business to help create the positive social and economic change that you'd like to see in the world.

A special section entitled 'Working with Charities' will teach you how to use your business to set up unlimited streams of passive income to support your charities rather than the limited donations usually made from earned income.
