*Free Service Aims To Help Customers Select The Best Pool And Pool Equipment.*

PR9.NET April 24, 2008 - Kissimmee, FL - Pools Above Ground announced today a free pool selection consultation service they offer to help prospective customers select the right pool for them.

The service is designed to help homeowners select the best pool for their property and uses. There are many factors to consider when choosing a pool, such as location, landscaping, decking, usage, size, in vs above ground, and others. The free Pools Above Ground consultation will help buyers choose the correct above ground or in-ground pool for their uses. Pools Above Ground's highly trained and knowledgeable staff are also able to advise customers on choosing the correct filter system, pool pump, and other essential items.

To receive a free consultation, a customer just needs to call Pools Above Ground at 866-534-9725 and indicate they are ready to purchase a pool and need assistance making the right choice.

Customers indicate they appreciate the Pools Above Ground consultation service; Seth C relates that the Pools Above Ground "Staff was very knowledgeable and helped us choose the right pool for us. We would recommend Pools Above Ground to anyone. Thank You."

Recreational Wholesales Inc., owner of Pools Above Ground, states that they are committed to never "wasting your time with bait and switch tactics or selling inferior products" but to "only offer proven components".

Pools Above Ground is a Florida based company that sells a variety of above ground pools, in-ground pools, and pool equipment worldwide. Pools Above Ground is noted for having the largest selection of automatic pool cleaners, in addition to their large line of pools and other pool equipment.
