Introduces neosoul.essentials, llc as a new entry in the online sale of handmade bath and body products and indicates that neosoul.essentials is growing as a business and online presence. Furthers neosoul.essentials' efforts to provide truly natural bath and body products to consumers.

PR9.NET April 27, 2008 - Scotch Plains, New Jersey - neosoul.essentials, llc a natural bath and body company based in central New Jersey has launched three new scents for summer. Intended to embody the spirit of hot summer weather and vacations, the scents are first to be added to the line in over a year.

The three new fragrances: mango surprise, island passion and tropical glow are available online at www.neosoulessentials.com. The company offers a variety of natural body products such as body oil mists and whipped body butters. All items are available in a variety of fragrances and are suitable for all members of the family. "I love summer and these fragrances really remind me of the beach or those fruit smoothies that are so popular when the weather gets warm," says Christine Lowe Woolard, owner and chief "mixtress" of neosoul.essentials. "These new fragrances are becoming so popular among my customers and I have had many requests for Mother's Day baskets."

For additional information on these new fragrances, or natural bath and body products, contact Christine Lowe Woolard at Christine@neosoulessentials.com or visit www.neosoulessentials.com. Samples are available at a minimal cost and are shipped free.
