Bags of Distinction handbags are inspired by designer styles, offering contemporary, high fashion and popular bag designs to style conscious women around the world.

PR9.NET April 27, 2008 - Merseyside, UK - We all know that women love their handbags, yet finding affordable designer style can be a challenge. Bags of Distinction recognizes this challenge and has put together a comprehensive online shopping experience for women who are looking for that special style within their budgets.

Bags of Distinction handbags are inspired by designer styles, offering contemporary, high fashion and popular bag designs to style conscious women around the world. Some of their bags are even unusual and eye catching, giving even the most discerning shopper something to select.

Handbags are not only great for yourself, they make a great gift. When you visit the company's website, you will find baguette style bags, evening handbags, classic handbags, fur style handbags, leather handbags and even leopard print handbags. No matter what your personal style is, you will be sure to find the perfect handbag for yourself or for a gift within your budget.

If you are not looking for a new handbag, be sure to review the extensive selection of make up and fashion watches. "We wanted to offer an easy to browse, comprehensive selection of handbags for any shopper and for any budget," said one of the company founders.
