Denver's Mile High Acura announces continuing commitment to providing high quality Acura TSX sales and service for Denver and Colorado area customers.

PR9.NET April 28, 2008 - Denver, Colorado - Mile High Acura today announced its continued focus on offering a wide selection of new and used Acura TSXs. Mile High Acura located in Denver on South Havana is an established Denver Acura dealer serving the Denver metro and Colorado Front Range areas. Mile High Acura's inventory of Acura TSXs includes a broad selection of new and pre-owned vehicles. Prospective Acura TSX buyers are invited to visit Mile High Acura in Denver to test drive an Acura TSX.

The 2008 Acura TSX comes in a singular body style and a fully loaded trim level. Standard equipment includes 17-inch wheels, xenon headlamps, foglights, leather upholstery with heated front buckets, an eight-way power driver seat with memory, a four-way power passenger seat, dual-zone automatic climate control, a sunroof, Bluetooth connectivity and a premium audio system with in-dash six-CD changer, satellite radio and auxiliary input jack. The lone option is Acura's superb voice-activated touch-screen navigation system that includes Zagat restaurant ratings and voice commands for the audio and climate systems.

The 2008 Acura TSX boasts a long list of standard safety equipment including antilock disc brakes, stability and traction control, side airbags for front passengers, and front and rear side-curtain airbags. In frontal-offset crash testing conducted by the Insurance Institute for Highway Safety, the TSX received a "Good" rating, the highest possible. In National Highway Traffic Safety Administration testing, the TSX earned a perfect five-star rating on all counts except for rear side impacts, where it received four stars.

Mile High Acura combines the availability of the Acura TSXs and other automobiles with its excellent service and full Acura dealer support. The Denver Acura dealer is open Monday through Saturday.
