Innovative open system Network Video Recording (NVR) and networking over Power Line (PLC) infrastructure manufacture expands Presence in Territory.

PR9.NET April 28, 2008 - Nashua, NH – Aboundi Inc., the innovative Electric Connect® and WebEyeAlert® vendor announced the appointment of Timarron Partners, Inc. as its manufacturer's representative for the Southwestern region today. Aboundi is a leading company in providing commercially advanced and innovative IP based Open System Remote Video Security/Surveillance Monitoring and Management Platform solutions to the Enterprise, Small to Medium sized Businesses (SMB) and Multi Dwelling Units (MDU) encompassing their existing Power Line as the networking infrastructure.

"We are most delighted to have TPI representing us in the territory," said Hong Yu, President and CEO of Aboundi Inc. "TPI's integrity is well known in the industry and we look forward to establishing a strong presence through TPI's partnership."

"We bring to Aboundi almost 100 years of presence in the market they are focusing on in an instance," commented by Bill Barthelemy, the Managing Partner of TPI. "Aboundi's value propositions complements well with our line of total solution to the Surveillance and Security applications where our System Integration (SI) and Value Added Resellers (VARs) customers will gain appreciable benefits."

###

About Timarron Partners, Inc.

Timarron Partners, Inc. was founded in 1999 and has become one of the premier manufacturer's representative firms in the country representing quality products in the Surveillance, Security and Fire Protection industries. TPI boasts nearly 100 years in the Security Industry almost entirely based in the Southwest region of the United States.

About Aboundi, Inc.

Aboundi Inc.'s Electric Connect® solution is designed to enable high speed Ethernet packets to traverse over many different transmission mediums: in-premise electrical wiring, extended distance for twisted pair wires and long distance coaxial cables. This 'versatile wiring' capability allows us the vast opportunities of solving many physical networking infrastructure connectivity deployment related problems cost effectively and spans across many market segments in applications. Aboundi sells products worldwide through its authorized Distributors and Solution Partners. www.aboundi.com
