Office To-Go announces most recent industry affiliation with the International Real Estate Assistants Association, also known as IREAA.

PR9.NET May 03, 2008 - Boston - Millbury, Massachusetts – Cynthia Papia of Office To-Go is pleased to announce that she is now affiliated with the International Real Estate Assistants Association, also known as IREAA. Together, they hope to raise the level of awareness of the real estate virtual assistant industry.

Hardly a passing fad, the Virtual Assistant industry grows stronger and stronger each day and is estimated to have some 20-30,000 professionals with businesses in the field. Virtual Assistants (VAs) provide administrative and marketing support remotely via technology such as the Internet, email, fax and phone often to small businesses around the globe.

In real estate, a VA can offer relief from such time-consuming activities as listing coordination, lead generation and management and transaction coordination, allowing real estate professionals to do what they do best – buy and sell property.
