Innovative open system Network Video Recording (NVR) and networking over Power Line (PLC) infrastructure manufacture expands Presence in Territory.

PR9.NET May 08, 2008 - Nashua, NH – Aboundi Inc., the innovative Electric Connect® and WebEyeAlert® vendor announced the appointment of Pacnor Marketing, Inc. as its manufacturer's representative for the Pacific Northwest region today. Aboundi is a leading company providing commercially advanced and innovative IP based Open System Remote Video Security/Surveillance Monitoring and Management Platform solutions to the Enterprise, Small to Medium sized Businesses (SMB) and Multi Dwelling Units (MDU) encompassing their existing Power Line as the networking infrastructure.

"Pacnor Marketing has supported the Security industry in the Pacific Northwest region since 1951." said Hong Yu, President and CEO of Aboundi Inc. "This is the kind of credential we are looking for in our Manufacturer's Representatives. It is a reflection and testimony to their success that has earned them a solid track of record in this industry."

"We have provided over fifty years of extensive pre and post sales service and support to the AV and Security industry in the Pacific Northwest region ," commented by Rick Scott, Principal of Pacnor Marketing. "We believe Aboundi provides the best value propositions to our industries which benefits our System Integrators and Distributors. Our two fully staffed offices can provide the comprehensively needed service and support to propel our principal manufacturers achieving their sales goals. "

###
