*International Author and Medium John Rogers to be Featured Guest on Sirius Radio Program to discuss new book - "Soul Traveler - and provide on air readings.*

PR9.NET May 13, 2008 - MELBOURNE, Florida – Professional Medium and Melbourne resident John Rogers will be a special on-air guest of Rev. Dr. Leigh Foster's "The Pawz Cause" radio program to be broadcast on [www.radiogetswild.com](http://www.radiogetswild.com) on Saturday, May 17 from 2-4 p.m.

Rogers will discuss mediumship and his new book, "Soul Traveler," a book about understanding your soul and the role it plays in our life. The book taps into the immense knowledge and understanding of Roger's own spirit guides to unveil the details of our soul's journey through time.

Listeners can log on to [www.radiogetswild.com](http://www.radiogetswild.com) and can call the show at 646-716-9947 to ask questions on air.

Rogers has more than 30 years of experience as a professional medium, author and lecturer. Highly regarded among his audiences, John applies his unique gift, energy and passion to assisting individuals seeking to understand their life experiences and purpose.

A frequent guest lecturer, he has shared his insights on mediumship with many individuals and groups in Florida, Massachusetts and the United Kingdom, and also has appeared on radio and television. John's other books include *The Medium Within* and *Positive Affirmations to Live By*.
