With more and more consumers going into debt, professional debt agencies are busier than ever before. DebtZapper offers information and quotes.

PR9.NET May 16, 2008 - North Hollywood, CA - DebtZapper is an online service specializing in aiding consumers who are in need of professional debt assistance. By offering information on debt consolidation (<http://www.DebtZapper.com>), settlement and other topics, as well as the ability to receive professional quotes, the process of controlling debt has never been easier.

Millions of consumers have found themselves in debt due to rising costs, as well as an overall downturn in the economy. With the help of DebtZapper (<http://www.DebtZapper.com>), these troubled individuals can connect with a professional in their area who is trained and licensed to help consumers avoid and/or escape debt.

By working with debt relief agencies in every state, DebtZapper gives every consumer an equal right to better their financial situation. To connect with a professional or to learn more about consumer debt, visit <http://www.DebtZapper.com>.
