FxRebates is one of the premier Forex brokerage firms in the industry. They specialize in introducing knowledgeable and capable brokers to Forex traders and assisting those traders in improving their profit margin and bottom line.

PR9.NET May 17, 2008 - South Florida - In today's market, Forex traders want to find the best opportunities available to them. The foreign currency exchange market is an exciting and sophisticated way to earn a living. Forex traders want to maximize their effectiveness and income potential. FxRebates, a Forex brokerage firm based in southern Florida, is offering cash rebates to Forex traders based on their monthly trading volume. Forex traders who choose to work with FxRebates can expect to receive one of the largest rebates in the industry.

FxRebates is one of the premier Forex brokerage firms in the industry. They specialize in introducing knowledgeable and capable brokers to Forex traders and assisting those traders in improving their profit margin and bottom line. FxRebates also provides education and services to traders of all varieties. More specifically, FxRebates focuses on providing Forex traders with cash rebates based on their monthly trading volume.

Forex traders who choose a broker with FxRebates and open a live Forex account will immediately be eligible to receive cash rebates regardless of their account size. Forex traders can initiate this process simply and easily with the help of FxRebates support staff on the FxRebates website. FxRebates is proud to offer such an exciting service to Forex traders:

"FxRebates is one the world's largest Forex Introducing Brokers. We offer one of the largest Forex Rebates in the industry," says FxRebates executive, Josh Kershner.

FxRebates is one of the largest Forex Introducing brokers in the world. They provide support and assistance to Forex traders in any way they can. FxRebates wants Forex traders succeed. They offer cash rebates, trading tools, education and knowledgeable service. FxRebates wants to know: Are you getting your \$4.11?
