Car and Commercial Leasing Specialists sets the standard for vehicle leasing across almost every make and model of automobile.

PR9.NET May 20, 2008 - Leigh, UK – As Spring is here and Summer is rapidly approaching, Car Lease has released some excellent consumer options for vehicle financing.

Car and Commercial Leasing (<http://www.carlease.uk.com>) Specialists sets the standard for vehicle leasing across almost every make and model of automobile. The company's clients can choose from among any make and model of car and can from their extensive list of UK supplying dealers. Also, the clients of Car Lease will benefit from a manufacturer's warranty and breakdown assistance.

The relationships that Car Lease maintains in the industry insure that their clients are gaining the keenest supply terms and significant savings over time. Car Lease offers range terms from 12 months to 60 months. The company's finance products are offered through banking groups including Network Vehicles Limited, Lombard Vehicle Management and Bank of Scotland Corporate.

Car Lease has been in the business for over 40 years, making them proud of their reputation and their long standing record for excellent client service. For consumers looking for excellent financial products and top quality service, Car Lease is a great option to consider.
