*"Rare Volkswagen and Ford Cobra kit car parts from Airhead Parts"*

PR9.NET May 27, 2008 - Ventura, CA - Airhead Parts ( <http://www.airheadparts.com/home.asp> ) , (a key retailer for manufacturer Ventura Warehouse Group ( <http://www.venturawarehousegroup.com> )) is proud to offer a full line of Turn Signal Switches, 1960 through 1979 for VW Beetle, Karmann Ghia, Bus through 1971. These switches are also used for most Ford Cobra kit Cars. All have been unavailable from Volkswagen for some time, and more recently discontinued by there original manufacturer, SWF.

These Turn Signal Switches are the newest to join other essential restoration parts for Volkswagens available through Airhead Parts (or wholesale to qualified buyers through Ventura Warehouse Group) such as Signal Lenses, Brake Lights, Alternators ( <http://www.airheadparts.com/page.asp?recid=28> ) , Steering Wheels, Body Panels ( Fenders, Doors, Hoods, Etc.) and full Interior Upholstery. Reproduction and OE VW parts (Original Equipment) have been warehoused in the interest of keeping old Bugs and all other models of air-cooled VWs and Vanagons on the road and looking new.

###

## About Airhead Parts

Airhead Parts is a supplier of Restoration Parts for all Air-Cooled VWs (pre 1979) and VW Vanagons. Founded by Scott Dempster in 1989 as Karmann Ghia Parts and Restoration, the company expanded to all models of vintage VWs in 2004. They ship world wide through their mail order catalog and have had an internet ecommerce site on since 1995.
