China Electronics Wholesaler Show Off their Wholesale Nintendo DS Skins, Nintendo DS Lite Skins, DS Leather Cases and DS Lite Silicone Cases, leading another low-prices storm of online wholesale marker.

PR9.NET June 04, 2008 - HONG KONG - Sourcingmap.com, the world's first Factory-Direct Wholesale Online Superstore based in Hong Kong, announced the release of their Wholesale Nintendo DS Skins, Nintendo DS Lite Skins, DS Leather Cases and DS Lite Silicone Cases with low prices.

"With the universality of Nintendo DS Lite, High quality cast vinyl skins market is growing rapidly. So, we released the Skins and Cases in order to meet the needs of our customers. Our skins for the DS Lite work flawlessly with the intricate curves and controls on the device. One of our favorite things about them is that our skins are conformable enough to allow the DS logo on the top of the handheld to show through. As always, no residue, no air bubble headaches - just the quality you've come to expect." said MrLu, Manager of Sourcingmap.com.

The Wholesale Nintendo DS Skins released today are made of high quality cast vinyl skins. All Nintendo skins are computer cut for an accurate fit. The Nintendo DS Lite is smaller, lighter and just a cleaner looking design than the original DS. They will let your investment say goodbye to fingerprints, dust, and scratches forever! The skins are easy installation and goo free removal so customers can change the skins whenever you like. All of those items are still continues Sourcingmap's low prices and high quality principle.

Most customers of Sourcinpmap.com are satisfied with this activity, "Unbelievable! It's so cheap! i will buy in bulk!" said Mary from New York, a customer of Sourcingmap.com.

"Some customers may be confused with our prices, yes, our price is lower than other suppliers, that's because our products are directly from Chinese factories. Our goal is to become NO.1 of China online wholesale sites." said Leslie.chan, Sales Manager of Sourcingmap.com.
