*Hua Ting Hotel & Towers in Shanghai, China has developed its official website, adding a reservation system that offers instant confirmation and the lowest rates online.*

PR9.NET June 05, 2008 - Shanghai, Hua Ting Hotel & Towers – Hua Ting Hotel & Towers in Shanghai is now fully equipped to accept direct reservations from their website, <http://www.huatinghotel-shanghai.com>, offering the lowest rates online, with instant confirmation on room reservations.

This new system employs a secure payment system, and allows guests to easily browse through the hotel website, which provides information about the hotel's rooms, facilities, and location. Making a reservation is also improved with the 14-day, real-time calendar that shows room availability for the guest's travel period, making travel itineraries easier to plan. Guests are also privy to the lowest rates online, with instant confirmation issued for each transaction.

A 5-star hotel in the Xu Hui District in Xu Jia Hui, Shanghai, Hua Ting Hotel & Towers offers 780 rooms in 10 different room types. Guests can choose the size of their room and the privileges that come with it. The hotel also offers a host of dining options, event venues, and conference facilities. To find out more about the hotel's facilities, rooms, rates, and location, point your browser to <http://www.huatinghotel-shanghai.com>.
