Julie Williams, voice teacher and voice actor, is featured this week on the industry's most downloaded podcast, Voice Over Experts.

PR9.NET June 11, 2008 - Toronto, Canada - Julie Williams, voice actor and voice acting instructor, was featured this past week on the renowned Voice Over Experts Podcast, the top educational podcast for aspiring and professional voice actors around the world.

In her third episode, Julie Williams shared an interview with graphic designer and branding consultant Jason Sikes of Village Green Studios in her podcast "Visual Branding for Voice Over Talents". The Voice Over Experts audience got to learn about what it means to make their website stand out and how graphical differentiation will help them to succeed in voice overs.

Julie Williams will continue to generously share her knowledge with aspiring voice actors and professional voice talents via the Voice Over Experts podcast. These weekly podcasts provide working voice actors with consistent inspiration and tips on how to grow in their craft. Available as MP3s, the lessons are hosted online and can be heard at any time of day at the convenience of the listener.

The Voice Over Experts Podcast can be found and subscribed to for free in the iTunes Podcast Directory and online at the Voices.com podcast portal.
