Lost Horizon Resort in Panglao, Bohol, Philippines now offers instantly confirmed bookings on its website (www.losthorizonresort.com) with its enhanced reservation system.

PR9.NET June 11, 2008 - Bohol, Philippines – To make it easier for guests to book rooms online, Lost Horizon Resort added a reservation system on its website, www.losthorizonresort.com. Through this new feature, securing online reservations just got better and easier.

Now prospective guests can enjoy the convenience of getting instantly confirmed bookings with an innovative 14-day calendar that displays rates with real-time room availability. This allows guests to freely select room types based on their desired date of stay and budget preference.

To ensure the availability of the room/s they have selected when they arrive at this charming Panglao resort, guests must pay a minimal fee of 10% of the total room charge. Upon receipt of payment, the reservation will be confirmed instantly via automated e-mail.

Nestled on the beautiful tropical island of Panglao, this Bohol resort is the perfect destination for those seeking a relaxing respite from the rush of today's world. This tropical haven expertly harmonizes clean and modern features with a quaint ambiance to ensure a relaxing stay. Lush gardens, stunning swimming pool, restaurant, and bar make for the ultimate resort experience. Visit www.losthorizonresort.com for more information about accommodation, facilities, and location.

Lost Horizon Resort's ability to carry out fast and secure online reservations with instant confirmations and payment guarantees was made possible through its partnership with DirectWithHotels. The company is a direct online reservations service provider that specializes in maximizing the performance of websites to help accommodation providers achieve increased occupancy, enhanced guest loyalty, and improved profitability.
