A well respected internet marketing company (Smartads), has just announced the birth of The Adcidia™ Network. Adcidia™ has taken over as the front company for the entire network including Article99.com, Smartads.info, SEOconsultants.ca and many others alike.

PR9.NET June 12, 2008 - Hamilton, Ontario, Canada (Adcidia.com) - "With the birth of 'Yahoo! Smart Ads', my decision to change the company name, web site, marketing strategy, and branding was final. Branding is so important for a company online. Over the years, the lack of having .com and having .info instead as the front company has always hurt my business. Adcidia.com is, and forever will be unique to the industry which is exactly what I've been looking for," Says Martin Lemieux, president

Adcidia™ - An eSyndication Advertising Network which hosts over 27 web sites, some of which are ezine article directories, business 411 web directories, and press release syndication web sites help to advertise a business which include;

- Article99.com
- Smartads.info
- MyFamilyLiving.com
- SEOconsultants.ca
- Adcidia.net
- MartinLemieux.ca
- SmartAdSearch.com
- and many more Canadian content specific directories

Based in Hamilton, Ontario, Canada - Adcidia™ (formally Smartads) has amassed over 40,000+ registered authors who have submitted over 90,000+ articles for reprint online, and also hosts over 20,000+ business listings within its network.

"This new site is the forefront of everything I've created over the years. Adcidia.com has combined my entire network all in one to showcase each individual web site, its function, and content," Asserts Mr. Lemieux

Visitors directed to Adcidia.com have 4 different options:

1) Reprint Articles:

People can easily reprint articles for their web site, newsletter, blog, or syndication directly and can choose from over 800 different categories of content from 7 different sources.
