*The largest manufacturer and wholesaler of Coconutshell Products – www.1handicraft.com – now officially launches its online shop, selling only the most beautiful, exclusive and handcrafted handicraft products to those who appreciate and looking for cheaper jewelry but fine jewelry.*

PR9.NET June 14, 2008 - Kuala Lumpur, Malaysia – www.1handicraft.com has established their appearance on the net with their own website with online shop. House of Coconutshell, based in Kuala Trengganu, Trengganu, MALAYSIA, one of the most active company in Perbadanan Kraftangan Malaysia. This company is producing extremely unique, handcrafted and beautiful handicraft jewelry to make ladies truly feel simple and easy-going but at the same time make them feels good about themselves.

The unique jewelry collections are inspired by the beauty, convenience, sexy and splendour of how Hawaiian and Malaysian lived, bringing it to this current trend so ladies can comfortably enjoy the lavish extravaganza of these times.

Only best coconutshell of the highest quality and best cut are used in House of Coconutshell's unique combinations of coconutshell and other forest resources, which are designed by the experts from Malaysia.

www.1handicraft.com not only providing coconutshell jewelry sets, they are also providing coconutshell earrings, coconutshell pendants, coconutshell bracelets, home deco and other types of jewelry. Their coconutshell are all the chosen one to ensure that absolute best in overall quantity. They provide guarantees on their products in order to make the customers feel more safe and more at home.

Persevering off the original standards of HOC's jewelry collections, the website will offer the latest trends for the budget-conscious consumer. "Our goal has always been to create a store for a targeted audience and avoid consumers the exhaustive searches it takes to find what's in demand. We have expanded on this concept by adding everyday jewelry fashion that cater to women who follow trends and demand a reliable source with modest pricing." Said Puan Syality Sajad, Owner of House of Coconutshell.

The new online jewelry shop is now open for use. Please visit <http://www.1handicraft.com> to shop online for cheaper jewellery and to find out more.
