*Rejuvenation Medi-Spa will be offering FREE units of Botox injections to all party attendees on June 18th from 9AM-730PM in Shrewsbury, NJ.*

PR9.NET June 16, 2008 - Shrewsbury, NJ – While many hear of the wonders of Botox, many rumors and questions are always raised. Some people would like to try it, others have cold feet. On June 21, 2008, Dr. James Avellini is ready to make the world beautiful by showing the world among other things to get rid of those "cold feet" by first getting rid of the "crows feet".

Botox cosmetics is a simple, non-surgical procedure that can smooth mild to severe lines on the face. Botox injections reduce and eliminate lines and wrinkles through the underlying facial muscles. In one quick treatment you will find results that will last for months.

Offering Free consultations as well, Rejuvenation Medi-Spa offers several other services besides Botox. Having the newest and most sophisticated laser and intense pulsed light systems available (the LightSheer Diode Laser and Palomar IPL). Rejuvenation MediSpa aims to combine art and medicine in a manner that safely, comfortably, and reliably rejuvenates your skin.

While attending the party and enjoying the free Botox units, staff will be available to answer any other questions that attendees have regarding the many other "beautifying" procedures that Rejuvenation Medi-spa offers. These services include Restylane Facial, Laser Hair Removal, Microdermabrasion, Chemical Peels, Leg Veins, Skin Tightening, teeth whitening, tattoo removal, specialized plastic surgery procedures, etc.

Rejuvenation Medi-Spas Botox party will be opened to the public on June 18th from 9am to 7:30pm.
